

NOTICE: NEW PARKING RULES TAKE EFFECT FRIDAY & SATURDAY NIGHTS

In a continued effort to improve safety for pedestrians, the city has enacted new street closure regulations that impacts parking in Westport on Friday and Saturday nights.

Hardened street barricades must now remain in place for the duration of street closures. As a safety precaution, it is now prohibited to move the barricades during their use (except for emergency vehicles).

As a result, parked vehicles along Westport's late-night closed streets (Pennsylvania Avenue and Westport Road) will not have access to exits until after 3 a.m. on weekend nights.

Drivers are encouraged to move any parked vehicles along the closed streets prior to 10:30 p.m. on Friday and Saturday nights to avoid the "no exit until 3 a.m." regulation. For more information on parking options and the closed street area visit westportkcmo.com/parking-in-westport.

TAXI/RIDE SHARING

Taxis and ride sharing services are unchanged with continued pick-up and drop-off along Westport Road between Mill Street and Bridger Road.
